TAFFA/TRA/09/2026 **29th October 2026**

COMMISSIONER GENERAL,
TANZANIA REVENUE AUTHORITY (TRA)
P. O. BOX 11491,
DAR ES SALAAM.
DEAR COMMISSIONER GENERAL,

Dear Commissioner General,

RE: FEEDBACK ON TCAMS IMPLEMENTATION RESOLUTIONS: LEADERSHIP & MEMBER CONSENT UPON ADOPTION OF THE REVISED ADDENDUM CONTRACT

Reference is made to our joint executive meeting held on **September 29, 2026** wherein key directives were issued regarding the implementation of the Tanzania Clearing Agents Management System (TCAMS) and the operationalization of the Customs Agents Fee Regulations (**GN 83 of 2026**).

In accordance with your guidance to build consensus, address member concerns, and secure formal consent, **TAFFA** wishes to submit this official progress feedback report following the standard one-month transition window granted by your esteemed office.

1. Executive Leadership Harmonization

On October 22, 2026, **TAFFA** convened an internal executive leadership meeting with the Full Council Members (FCM) and governing leaders. The primary objective was to review, analyze, and deliberate upon the updated and enhanced Addendum Contract for TCAMS. Following extensive review, the leadership unanimously approved the terms and resolved to submit the revised contract directly to the general membership for final consultation and endorsement.

2. Extraordinary General Meeting (EOGM) & Member Endorsement

Pursuant to formal notice (**Ref: TAFFA/ANN/026/46**), **TAFFA** convened an Extraordinary General Meeting (**EOGM**) on **Wednesday, October 28, 2026**, at the Golden Jubilee Hall, Dar es Salaam.

We are pleased to report the following outcomes from the meeting:

- **High Attendance:** Over 400 active members and company directors attended the session.
- **Clause-by-Clause Review:** The revised Addendum Contract was presented and read clause-by-clause, ensuring full transparency. Members were given ample opportunity to express their views, provide recommendations, and seek operational clarifications.
